

DESIGN LESSONS from a year in quarantine

by @ iamjessklein
© BY SA · 2021.

BEING STUCK AT HOME
MADE MY SCHEDULE AS
A DESIGNER EXTRA CRAZY.
SO I CAME UP WITH A FEW
TRICKS TO BE MORE
EFFECTIVE

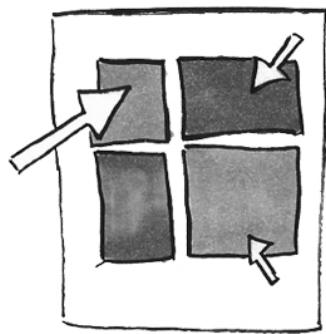

CHUNK MEETINGS
BASED ON MY
ENERGY.

I'll sketch
in the A.M.

CONTEXT SWITCHING
IS HARD SO
GROUP SIMILAR
TASKS + MEETINGS
TOGETHER

COLLABORATE +
GET MESSY
(THIS DOESN'T JUST HAPPEN)
SO PREPARE + DESIGN FOR
PARTICIPATION

WHENEVER YOU TALK
TO ANYONE ABOUT
YOUR WORK BE EXPLICIT +
SAY WHAT STAGE YOUR
DESIGN IS AT:

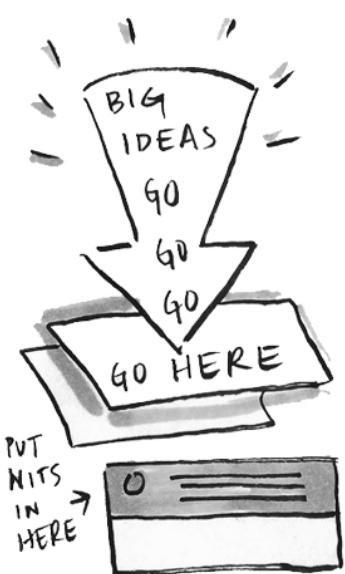

NOTE HOW
COMFORTABLE
YOU ARE WITH
SHARING

W.I.P.

SHOW WHERE TO GIVE +
GET FEEDBACK

- I LIKE: _____
- I WISH: _____
- I THINK: _____

OVER COMMUNICATE

THANKS

Working REMOTELY IS
HARD + IT'S EASY TO
GET STUCK IN A PATTERN
WHERE YOU ONLY SHARE.
WHAT'S BAD - WHEN THERE'S
A LOT OF GOOD.
